OFFICERS HEADED FOR WEEK'S CAMP

All Infantry Commanders in State Expected at Petersburg Country Club, for a week's instruction at the hands of officers of the regular army detailed for this purpose.

NEGRO WAS MUCH IN EARNST

Tackled an Entire Family—New Roads in Washington County.

Reveille will sound this morning for every infantry officer in Virginia. About 100 of them will assemble during the day at the camp ground near the Petersburg Country Club, for a week's instruction at the hands of officers of the regular army detailed for this purpose.

The Adjutant-General will be present during a part of the term of instruction, as will Colonel C. A. Dempsey, U. S. A., retired, on duty with the Virginia militia. Chief of the Virginia militia, Major General Joseph L. Warner, of the Adjutant-General's office, will attend in his capacity of adjutant of the Blues' Battalion.

For once at least in their lives the officers will have to work. The program begins at 7 o'clock each morning, and there is to be something doing every minute until the hour for bed, when the weary erstwhile commanders will be ordered to their cots. There won't be any fun, but what there will be is to be fast and furious.

Teachers on Ground.
The detachment of instructors from the United States Army based through Richmond yesterday morning on their way to Petersburg. They spent the day looking over the ground, and company with General C. C. Vaughan, who, as the ranking infantry officer of the State, will be in command.

Orders covering every detail of the encampment have been heretofore issued by Adjutant-General Sale. That officer and his force have been kept busy arranging for the affair.
The instructors, all of whom come from infantry regiments, are as follows: Major Charles H. Bartlett, Twelfth Regiment; Major Henry D. Sticker, Twenty-ninth; Major Beaumont B. Burk, Sixteenth; Captain Hunter B. Nelson, Twenty-fourth; Captain Franklin S. Hutter, Twelfth; Captain Joseph K. Partello, Fifth; First Lieutenant Robert S. Knapp, Second; First Lieutenant Leonard J. Mygatt, Fifth; First Lieutenant John B. Barnes, Fifth; First Lieutenant Townsend Whelen, Twenty-ninth.

AFTER WHOLE FAMILY

Negro Accused of Striking Woman and Child, Then Cutting Father Up.
It was quite evident that the intention of Ed Perkins, a West Virginia negro, to clean up the entire family of his enemy, Sidney S. Perkins. Whether or not the Perkinses were related, the requisition papers honored yesterday by Governor Mann fail to show. Governor William E. Glasscock asked for the person of Ed, for the purpose of trial.

The evidence of the only eyewitness to the crime was to the effect that Ed Perkins entered the place of business of Sidney Perkins, coolly informed the latter that he had slapped Sidney Perkins, and that he was going to proceed to carve Sidney up. The injured man, it is stated, may not recover, having been stabbed in the back against the peace and all the rest of it of the State of West Virginia.
All this trouble happened in Mercer county, and the negro was now made across the line to Graham, where he is now under arrest. The negro will be delivered to F. C. Stafford, of Mercer.

NEW ROADS IN WASHINGTON

Bond Issues Secured by Petition—Contract Let for Highways.

A delegation of well-known citizens of Washington county called yesterday on State Highway Commissioner Wilson to arrange for building some new roads. Under a new law, of which Mr. McClesney, of Washington, was the patron, it is unnecessary to hold an election there to secure a bond issue, the petition of a majority of the citizens being all that is required. This petition was gotten up without trouble. As a result, \$150,000 worth of bonds will be issued in Holston Magisterial District, with which to build roads leading to Damascus.

One of these highways will connect with a road already built leading out of Meadow View, and another with a similar road from Glade Spring, both of these points being on the Norfolk and Western. One of the roads starts from Graham's Bridge and the other from Craigs' Bridge, the two dividing some distance from Damascus, one highway leading into the town. State aid will consist of \$100,000 worth of bonds.

The delegation was composed of Division School Superintendent W. J. Edmondson, R. B. Preston, R. S. Parks and J. K. W. W. A contract has just been let for the construction of three miles of road leading out of Bedford City, with State aid. Another contract has been made for a road leading out of Lynchburg in the direction of Rustburg, the county seat of Campbell county.

Work is being begun on two roads in Rockbridge county, out of Buena Vista. One of these leads to the old town of Buena Vista and the other to Hartsock Shop.

Accused of Arson.
David Arthur of Bedford City, has been arrested as a result of efforts made by the Bureau of Insurance, charged with attempted arson. He is accused of trying to burn a dwelling and barber shop on May 12. Arthur, who is white, was sent on to the grand jury and admitted to bail in the sum of \$1,000.

Banks Have Not Paid.
Quite a number of State and national banks have not as yet paid their 1910 taxes to the Auditor of Public Accounts. All banks which have not settled by June 1 will be penalized, under the law.

Court Meets Next Week.

Judges James Keith and Richard H. Cardwell, of the Supreme Court of Appeals, will leave Monday for Wytheville, where on Tuesday they will meet the other judges and begin the summer term of the court. About forty cases are on the docket for the Wytheville term, which is expected, will last for about three weeks.

Call on Auditor.
Newell S. Greenaway, clerk of the Corporation Court of Alexandria, and Robert H. Cox, sergeant of the same city, came in to see the Auditor of Public Accounts.

MAN SHOTS HIS WIFE.

Fires at Her, Then Reloads Gun and Takes a Second Shot.
[Special to The Times-Dispatch.]
Wadesboro, N. C., May 25.—John Davis, a negro, employed on the plantation of N. P. Liles, four miles from town, attacked his wife last night, and shot her twice. Davis used a single-barreled shot gun, and after firing the first shot, reloaded and fired again. The woman may recover. Davis immediately disappeared, and officers have not been able to locate him. The woman does not tell of any reason for the attempted murder. She has been married to Davis only a few weeks.

A Parcel Post Record.
Washington, May 25.—A record of a parcel post package has been shipped to the Postmaster-General. The package was placed in the mails at Bremen, Germany, on May 2, and delivered to the addressee at Seattle, Wash., on May 11—twelve days. This is the best time ever reported for mail of this character.

Big Deal in Salisbury.
[Special to The Times-Dispatch.]
Salisbury, N. C., May 25.—The announcement is made here that the entire electric lighting and street railway equipment has been bought by the Piedmont Street Railway Company and will be operated by that company in the future. It is understood that a number of important improvements will be made in the operations of the concern. W. F. Snider, T. H. Vanderford and other leading citizens are at the head of the new enterprise.

Railroad Brakeman Killed.
[Special to The Times-Dispatch.]
Roanoke, Va., May 25.—Sam Noell, a Norfolk and Western Railway freight brakeman, fell from his train near Oakdale, last night, and was killed. His body was cut in two.
